

A selection of quotes on Economists and Economics!

An economist is a man who states the obvious in terms of the incomprehensible.

Alfred A. Knopf

If all economists were laid end to end, they would not reach a conclusion.

George Bernard Shaw

Economy is for the poor; the rich may dispense with it.

Christian Nestell Bovee

Isn't it interesting that the same people who laugh at science fiction listen to weather forecasts and economists?

Kelvin Throop III

Economics is extremely useful as a form of employment for economists.

John Kenneth Galbraith

Socialism failed because it couldn't tell the economic truth; capitalism may fail because it couldn't tell the ecological truth.

Lester Brown

Nothing is cheap which is superfluous, for what one does not need, is dear at a penny.

Plutarch

An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today.

Laurence J. Peter

Beware of little expenses; a small leak will sink a great ship.

Benjamin Franklin

In all recorded history there has not been one economist who has had to worry about where the next meal would come from.

Peter Drucker

Have more than thou showest, Speak less than thou knowest.

William Shakespeare
