Easter Triduum:

The three days that begin with Holy Thursday are **not** isolated commemorations of events in Jesus' life. They are indeed one celebration, linked cohesively as the Easter Triduum. Jesus' gift to us of the Eucharist and through his example of service - His dying and his death. The rolling back of the stone and the light of the risen Christ are expressed in the new fire and the Easter Candle. Our participation is truly a celebration of our salvation history.
